STEP ONE:
Download the GooseChase app from the App Store/Play Store by searching "GooseChase".

STEP TWO:
Open the app and make an account using your email address or Facebook account (don't worry, we'll never post to your account without your permission).

STEP THREE:
Once logged in, click the magnifying glass icon and search **California FBLA** or use the game code **GDEPBB**.

STEP FOUR:
Select your game from the list and click "Join".

Game Name	Date	Time	Game Code
START: California FBLA	April 8	10:00 am (PDT)	GDEPBB
END: California FBLA	April 9	4:00 pm (PDT)	

After joining a game, you'll be taken straight to the mission list. However, if your game hasn't started yet, just hang tight – when the game starts you'll be able to start completing missions!

NOTE: Start Up missions will begin prior to the conference. Additional missions will be released throughout the conference!
